

Employee Survey

Purpose

Measure

1. Onboarding Experience
2. Confidence in Performing Day to Day Operations
3. Cultural Fit
4. Confidence in Attaining Personal Success

Derive Answers To Key Organizational Factors

1. Relationship Between External Brand Image and Talent Pipeline
2. Clearly Define Role and Find Correct Fit
3. Effective Workplace Onboarding – Classroom Training and On The Job Training
4. Developmental Support

Assumptions*****

1. Employees Covered: Contact Center
2. Survey Timelines: 3 Months Post Joining CIBC
3. Scorecard KPI:
Strongly Agree - 100% / Agree – 80% / Neutral – 60% / Disagree – 40% / Strongly Disagree – 20%

Key Findings

1. Effective Hiring process (Strength)

- Role Clarity
- Relevant Questions Are Asked During Interviews

2. Orientation Training & On The Job Training Can Be Improved (Opportunity)

- Lack of Confidence post classroom training– (Systems, Tools, AST)
- Training To Be More Elaborate With More Comprehensive Material
- Lack of Feedback During On The Job Training

3. Leaders Should Provide More Consistent Feedback (Threat)

- Lack Of Constructive Feedback
- Lack Of Guidance To Attain Personal Success

4. Leaders Should Provide More Clarity Regarding CIBC's Culture & Vision To Be a Client Relationship Bank (Opportunity)

- Employees Have A Good Idea Of Working With Purpose
- Have Client's Best interest At Heart – Empower More

Recommendation

Short / Medium Term	• Track post training feedback & performance metrics to identify correlation specific to employees – KPIs on SharePoint • Buddy program to be implemented • Training content to be more comprehensive – exhaust different scenarios • Implement regular Feedback system – 30-60-90 – track on SharePoint per team • Review AST utilization data and review for updates and simplicity opportunities
Long Term	• Training Program to be extended to a month (4 Weeks) • Implement leadership accountability program – new training - proactive, asking right questions / new KPIs/employee survey completion • Implement self reading/training digital training material – systems and processes • Work From Home Capabilities • Workplace Feedback – Skills and link to course to better chance of moving to new role • Predictive Analytics and AI investment

Appendix

Survey Results: This heat map identifies areas where CIBC has done a good job within the Onboarding Process and where opportunities and threats are present – KPI scores are noted beside each question.

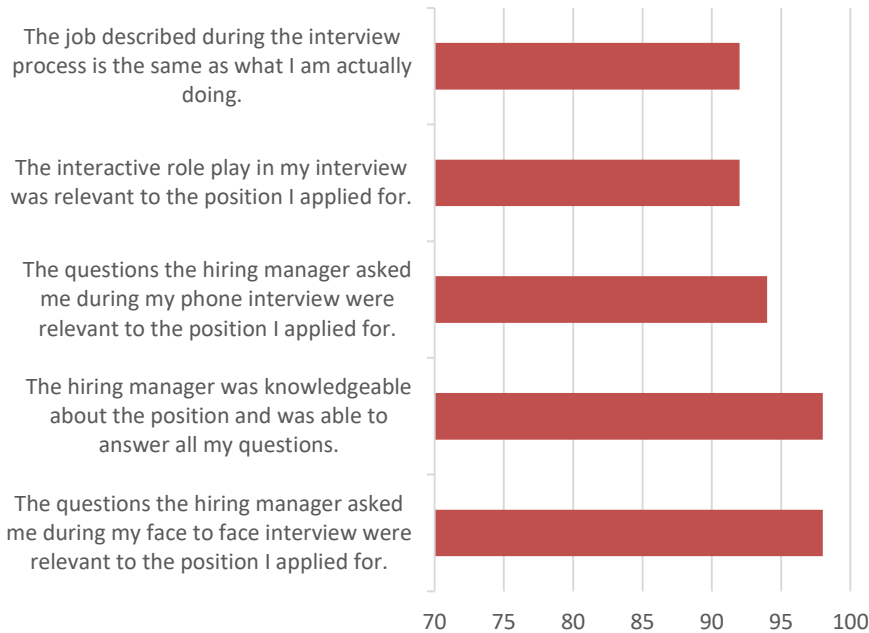

Ranking Of Factors Based On Results

1. Clearly Define Role and Find Correct Fit
2. Effective Workplace Onboarding
3. Relationship Between External Brand Image and Talent Pipeline
4. Development Support Network

SURVEY SCORECARD
